- The Hatfield Borough Offices will be Closed on Wednesday, December 18<sup>th</sup> from 12:00PM-1:30PM for Employee Training

#### **4. Public Hearing for Ordinance No. 556 Updating the International Property Maintenance Code from 2003 to 2021**

Councilman Ferguson suspended the Workshop Scheduled Public Meeting and opened for the Scheduled Public Hearing.

Solicitor Harper stated that this is an ordinance and we do adopt the international property maintenance code changes. When this was adopted the first time it actually said as amended from time to time but it has been a long time so we thought that we should adopt a new ordinance with the new code. We don't want someone who is being called on the carpet for code enforcement to use the fact that the ordinance itself uses the wrong code. Its pretty proforma and the code department here basically wrote the exceptions things that were not there before have been added as things that we require. I am going to mark as exhibits B1 fo Borough One for proof of publication we did public this in the reporter news paper that we were having a hearing tonight. B-2 is going to be the actual ordinance which is ordinance number 556 and it on for action tonight. I think to do this right the first thing that we should do is ask whether any member of Borough Council has any questions about this. Council Member Burns wanted it noted that it is 2003 not 2023. Solicitor Harper asked is she said 2023, and President Ferguson replied that he thinks Council Member Burns is referring to his stating 2023 and not 2003 to be clear. Council Member Burns said we are going forward not back, Solicitor Harper said yes we are going forward. They don't redo the International Property Maintenance Code every year its more like 5 years. Solicitor Harper said that if Borough Council is ok with this and have no questions then she is going to open this up for public comments. Let the minutes reflect that there was no public comment and we can close this hearing. The Hearing Closed at 7:10PM and later this evening it is on for action.

#### **5. Public Hearing for Ordinance No. 556 Enacting a Rental Inspection Program in Hatfield Borough**

Councilman Ferguson suspended the Workshop Scheduled Public Meeting and opened for the second Scheduled Public Hearing.

Solicitor Harper stated that like this last ordinance well this is a little bit different update to an ordinance that we have, it going to require more from the code department to get this done. Lets mark as exhibit B-1 for the proof of publication from the reporter newspaper that it was there and tonight we are having a hearing on this inspection program. B-2 for this hearing is the ordinance itself, ordinance 557. We already require property owners to register that they have tenants, but what we thought we should do is have the rental units inspected no less frequently than once every three years, that's what we are saying and we have a lot. We didn't want to make it so that the borough code enforcement officer couldn't do it every year, if can do it then that's great. But he has to do it once every three

years at least. What's the inspection for, its to make sure that the premises are code compliant, clean and safe for the tenants and that they look code compliant from the outside and that someone is taking care of it. Some not always sometimes an absentee landlord is less careful of taking care of a property that someone who lives in it and so the update here is that we already require registrations now we are going to require inspections and you have to registration and get an inspection. We are also have inspections when the property changes hands and someone is going to be there so that the new tenant is coming in or of you are going to sell it and someone else is going to rent it out we are going to require you to get a certificate that it has been inspected and it is up to code. Its better for the borough that everything is up to code and that is a good time to check. If you are the buyer you should want to see the certificate that says it has been checked and that its fine. That is what this is all about and are there any questions? Mayor Mary Anne Girard asked that if the hours that have been allocated for the code department be sufficient enough to cover, as I can imagine this is additional work that they are going to have to do. Manager Jaime Snyder replied that it will be sufficient because she spoke to Bob and they are going to reallocate hours specifically to this outside of fire safety inspections which is what we currently have. The time that he is in the office so they know the amount of hours and the budget number that we have and its not to be gone over. She had the conversations with him and she expects them to fall in line but she will certainly keep Council and Mayor posted if it seems that they were not going to get it done in time. President Ferguson also commented that it was also in the budget for next year. Solicitor Harper asked if anyone from the public had any comments or questions regarding the rental inspection program, seeing none we can close the hearing. The Hearing Closed at 7:14 PM and later this evening it is on for action.

#### **6. Partnership TMA Bike Audit Study Results Presentation Jacqui Baxter-Rollings, Lucas Oshman**

Jacqui Baxter-Rollings thanked Council for letting them come back again and stated that it has been very busy at Partnership TMA since July when they last attended the Council Meeting. The first 6 months of the project they have hosted 4 online meetings and completed bike audits at 6 intersections. Members who took part in these meetings and audits reviewed their findings and gave some suggestions on how to make certain intersections more bike friendly. A full report of their findings was given to the Borough.

#### **7. REPORTS FROM STANDING COMMITTEES AND MAYOR:**

##### **Budget, Finance, and Labor Committee Report**

Councilmember Ferguson stated that they met briefly this evening to talk though the budget and will be discussed later on.

##### **Planning, Building, and Zoning Committee Report**

November 20, 2024 Regular Meeting. The motion was seconded by Councilmember Girard and unanimously approved with a vote of 5-0.

3. **PUBLIC INPUT:** President Ferguson asked if there was any Public Input. There was no media present.

Victor Lewis 151 Orchard Lane, wanted to express his concern about the traffic impact that 23 North Main Development will cause and wanted to express his concern.

Jan McCarty from 13 East Broad, stated that she just found out at the Planning Commission Meeting that 23 North Main the development is going to be leased out and not sold individually and she feels that they will not be care for as well since they are leased.

Solicitor Harper responded that the law does not allow the borough to decide from rentals to ownership, they are not allowed to tell the developer that they can sell them as individual units but you can't rent them.

President Ferguson said that 23 North Main is on the agenda for tonight and we should wait to address council regarding that subject until then and we can tie it all in together.

4. **ANNOUNCEMENTS:** **Manager Jaime E. Snyder made the following announcements.**
- Next Council Meetings January 15<sup>th</sup> Workshop / Regular Meeting at 7:00PM in Council Chambers
  - HEROC is Scheduled for Wednesday, January 22, 2025, at 8:00AM in Council Chambers
  - Planning Commission is Scheduled to Meet on Monday, January 27, 2025, at 6:00PM in Council Chambers
  - HMHS is Scheduled to Meet on Tuesday, January 28, 2025 at 7:00PM in Council Chambers
  - The Borough Offices will be closed Tuesday, December 24, 2024, and Wednesday, December 25, 2024, in Observance of the Christmas Eve and Christmas Holidays
  - The Borough Offices will be closed Tuesday, December 31, 2024, and Wednesday, January 1, 2025, in Observance of the New Year's Eve and New Year's Day Holidays

#### **5. Public Hearing for Ordinance No. 558 Fixing the 2025 Real Estate Tax Rate**

Councilman Ferguson suspended the Workshop Scheduled Public Meeting and opened for the Scheduled Public Hearing.

Solicitor Harper asked for the minutes to reflect that we have proof of publication was given in accordance with the court of law. You can attach it if you want but you should mention in the minutes that we did that. Then your only requirement for a public hearing is to take comments from council and comments and questions from the audience on this particular budget item. There were no comments from council or from the audience. The Hearing Closed at 7:38 PM and later this evening it is on for action.

#### **6. NEW BUSINESS / DISCUSSION ITEMS:**

**A.23 N. Main Street, Hatfield Walk, Land Development**

Ben Goldthorp from Pennington Properties was present at the meeting to answer any questions that council or the audience had for the developer. Manager Snyder informed council that this project went before the Planning Commission on Monday, December 16<sup>th</sup> and the Planning Commission did NOT recommend preliminary/ final approval for this development with a 2-3 vote. Solicitor Harper stated that they are just an advisory board and council is not bound to their decision but we have to make note so that you know. She also said that the Planning Commission did not give a reason as to why they voted no. Solicitor Harper reminded the audience and also council that everyone has the right to use their property in accordance with zoning of that property. If you present a plan that meets the zoning requirements and the subdivision requirements Borough Council is obligated to vote yes, even if they prefer not to. The only way you can turn down a development is if it does not meet zoning requirements. Mr. Goldthorp stated that they are willing to put the signs up which say no left turns turn AM rush hour and PA rush hour as well as a don't block the box sign. They also know that the borough is working on a road project and they do not want to line strip prior to that project which would get all ripped up so they want to make a contribution to the borough for that work to be completed, He was thinking roughly \$2,000. Councilmember Burns asked about the open space at the top left of the plan and wanted to know if they were planning on giving it to the borough. Solicitor Harper replied that Borough Council have not decided yet if they wanted it dedicate it or an easement on the property. Councilmember Burns would like the developer to create the path to the park for the Borough as their contribution to the borough. Mr. Goldthorp stated happy to construct it but not on their dime, he can do something more cost effective if there is a way like a credit or something else but unfortunately, they are already at the max of what they can do in terms of the project in terms of the units. When they went from 9 units to 8 that impacted them economically. Solicitor Harper stated that the next step is she will draft a resolution for the January Council meeting for their review.

Fred Hausmann 5 East Broad Street, stated that he has two concerns for this project one is traffic and the second is more than one family living in each unit.

Bonnie Hausmann 5 East Broad Street expressed her concern about the traffic as well.

Owen Wilcox East School wanted to express to council that he believes that the concern of the residents is the location of the driveway and how close it is to the intersection. He also feels that most people are not going to listen to the signs and still make a left out during the restricted times. He also would like the borough to consider when reviewing the plans to think of mutual aid and what other companies' equipment sizes are.

**B. Resolution 2024-29 Authorizing an Increase to the Electric Rates**

Manager Snyder explained that this resolution authorizes a one-cent increase to the electric rates. President Ferguson stated that after some review the committee decided the increase should be one and a half cents. This is on for consideration tonight.

**A. Motion to Consider Ordinance No. 558 Authorizing a Change to the 2025 Real Estate Tax Rate**

Motion: A motion was made by Councilmember Girard Approve Ordinance No. 558 Authorizing a Change to the 2025 Real Estate Tax Rate. The motion was seconded by Councilmember Fagan.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**B. Motion to Consider Resolution 2024-29 Authorizing an Increase to Electric Rates**

Motion: A motion was made by Councilmember Burns Approve Resolution 2024-29 Authorizing an Increase to Electric Rates. The motion was seconded by Councilmember Girard.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**C. Motion to Consider Resolution 2024-30 Appropriating Specific Funds for 2025**

Motion:

A motion was made by Councilmember Girard to Approve Resolution 2024-30 Appropriating Specific Funds for 2025. The motion was seconded by Councilmember Burns.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**D. Motion to Consider Payment Request No. 2 for the Utility Replacement Project to KBC Construction Inc. in the Amount of \$265,900.98 (two-hundred sixty-five thousand nine hundred dollars and ninety-eight cents)**

Motion:

A motion was made by Councilmember Fagan to Approve Payment Request No. 2 for the Utility Replacement Project to KBC Construction Inc. in the Amount of \$265,900.98 (two-hundred sixty-five thousand nine hundred dollars and ninety-eight cents). The motion was seconded by Councilmember Burns.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**E. Motion to Consider Resolution 2024-31 Authorizing the AMP PA R.I.C.E. Peaking Project Share & Authorize Jaime E. Snyder, Borough Manager to sign the Master Agreement**

Motion:

A motion was made by Councilmember Fagan to Approve Resolution 2024-31 Authorizing the AMP PA R.I.C.E. Peaking Project Share & Authorize Jaime E. Snyder, Borough Manager to sign the Master Agreement. The motion was seconded by Councilmember Burns.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**F. Motion to Consider Appointing James Rudolph to the Zoning Hearing Board for the Four-Year Term Expiring December 31, 2028**

Motion:

A motion was made by Councilmember Burns to Appoint James Rudolph to the Zoning Hearing Board for the Four-Year Term Expiring December 31, 2028. The motion was seconded by Councilmember Kroesser.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**G. Motion to Consider Appointing Lawrence G. Stevens to the Hatfield Economic Revitalization Outreach Committee (HEROC) for the Four-Year Term Expiring December 31, 2028**

Motion: A motion was made by Councilmember Kroesser to Appoint Lawrence G. Stevens to the Hatfield Economic Revitalization Outreach Committee (HEROC) for the Four-Year Term Expiring December 31, 2028. The motion was seconded by Councilmember Fagan.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**H. Motion to Consider Appointing Melissa Rosenberger to the Hatfield Economic Revitalization Outreach Committee (HEROC) for the Four-Year Term Expiring December 31, 2028**

Motion: A motion was made by Councilmember Burns to Appoint Melissa Rosenberger to the Hatfield Economic Revitalization Outreach Committee (HEROC) for the Four-Year Term Expiring December 31, 2028. The motion was seconded by Councilmember Kroesser.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**I. Motion to Consider Appointing Owen Wilcox to the Pool Advisory Board for the Three-Year Term Expiring December 31, 2027**

Motion: A motion was made by Councilmember Kroesser to Appoint Owen Wilcox to the Pool Advisory Board for the Three-Year Term Expiring December 31, 2027. The motion was seconded by Councilmember Fagan.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**9. MOTION TO APPROVE PAYMENT OF THE BILLS**

President Ferguson and Manager Snyder reviewed and answered questions regarding the bill list.

Motion: A motion was made by Councilmember Girard to Approve the payment of the bills. The motion was seconded by Councilmember Fagan.

President Ferguson asked if there were any comments or questions. There were no comments or questions.

The motion was approved unanimously with a vote of 5-0.

**10. ADJOURNMENT:**

Motion: A motion was made by Councilmember Kroesser to adjourn the Regular Meeting of December 18, 2024. The motion was seconded by Councilmember Girard and unanimously approved with a vote of 5-0. The meeting adjourned at 9:00 PM.

*Executive Session Litigation, Property and Personnel*

Respectfully Submitted,  
Kathryn Vlahos  
Assistant Manager

# HATFIELD BOROUGH

REIMAGINING DOWNTOWN

## Envisioning a Vibrant Downtown

Hatfield's unique pyramid styled shape is ideally positioned to sculpt a beautiful commercial center populated with new shops and specialty stores.

## Concept Boards

Opportunities exist for new infill development and repurposing of older properties into new businesses that are attractive to residents and visitors.

## BE STILL NUTRITION

Business retention and simple solutions to increase visibility through the sign and facade grants is a valuable HEROC incentive tool.

Assisting existing business by analyzing everything from signage to social media will help them to grow and thrive .

## El Quetzal

Outside dining and seating will enhance the downtown area attracting residents and visitors.

Existing conditions leave room to improve the dining experience and ambiance.

## Trolley Stop Deli

A local favorite and iconic downtown cafe has the opportunity to capture more business. Improving their Broad Street facade will capture more drive-by customers. Especially so in the evenings by expanding and improving their outside dining experience.

Broad Street has a high daily traffic count. New signage and visual outside seating will draw more non-regular customers.

Additionally, in the evenings, Trolley Stop may expand their hours and offer more family friendly and affordable dining inside as well. Here they could re-stage their interior dining area for more sit down style dining.

## Going Green

Cultivating Aesthetic Charm downtown with subtle additions of new landscaping that includes larger trees and shrubbery will improve the look and feel of the town center district.

Softening edges and possibly allowing existing trees, not under power lines, to grow larger will over time create a shaded canopy for pedestrians.

### Municipality Critical Response Triad

VMSC emphasizes its review of the Critical Response Triad—cardiac, trauma, and stroke-related calls—because timely intervention in these cases can significantly improve patient outcomes and survival rates.

### Where are our calls?

## VMSC's December Global Scale

**Mental Health** | Responded to 44 behavioral health-related calls.

**Community Harm** | Handled 25 Overdoses, up from 27 last month, resulting in 6 Narcan administrations by EMS. 16 of which were transported to the hospital. Also responded to 21 incidents of causing deliberate injury, down from 29 last month.

**Climate** | Dispatched to 26 weather related motor vehicle crashes.

**Diversity** | 49 patients had language barriers. 26 patients were morbidly obese. 28 were in a state of emotional distress. And 24 were developmentally impaired.

### December 2024 Patient Satisfaction Rating

"They were professional, effective and efficient, as well as warm-hearted. We can't thank you enough." - Patient, 12/4/24

### Mutual Aid

VMSC provided mutual aid for 96 calls this period, up from 79, with the most significant contributions to Freedom Valley (32 calls), Ambler (18 calls), and Chal-Brit (6 calls).

Conversely, VMSC received mutual aid 23 times, up from 14, in the areas of Franconia (6 calls), Hatfield (4 calls), and Montgomery (4 calls).

### Touching Lives - NPSD Giving Tree & Plymouth Toy Run

During this season of giving, VMSC staff extended our mission of touching lives by ensuring children in our community had a joyful holiday. Through our 13th annual Giving Tree, we supported four families from the North Penn School District, and we also participated in the Plymouth Community Ambulance Association's Operation Christmas Kids Toy Run, collecting toys for children spending the holidays in the hospital. These initiatives helped bring joy and comfort to children and families during the holiday season.

**Building Maintenance** - Clean up around the PW Shop.

**Storm/Sanitary Sewer Department** - Replaced the final two manholes on W Broad St.

## **6. REPORTS AND CORRESPONDENCE:**

### **Engineering Report**

## Memorandum

**To:** Ms. Jaime E. Snyder, Manager, Hatfield Borough

**Cc:** Ms. Katie Vlahos, Assistant to the Manager, Hatfield Borough  
Mr. Steve Fickert, Public Works Director, Hatfield Borough  
Ms. Kate Harper, Borough Solicitor  
Hatfield Borough Council

**From:** Chad E. Camburn, P.E.

**Date:** December 27, 2024

**Re:** January 2025 Engineering Report

The following is a highlighted list of current projects and recent engineering activities:

### CAPITAL IMPROVEMENT PROJECTS:

- **Broad Street Storm Sewer & N. Main Street Storm and Sanitary Sewer Improvements**  
*The project will replace the entire storm sewer system in West and East Broad Street and North Main Street, deteriorated CMP through private properties, and the entire sanitary sewer system in North Main Street. Substantial Completion is due by June 28, 2025, and the work must be Ready for Final Payment by August 12, 2025.*

**All work on the water improvements in W. Broad Street has been completed, and Payment No. 2, for work associated with the NPWA improvements, was approved on December 18, 2024. Approximately 825 LF of storm sewer and 9 inlets on W. Broad Street has been replaced from Main Street to Columbia Ave., which is approximately 35% of the storm sewer being replaced. Construction has stopped for the holidays and will restart in the first week of January.**

**SUBDIVISION / LAND DEVELOPMENT / PERMITS:**

- **Bennetts Court (Prestige Building Partners Townhomes)**

*The application proposes the construction of 18 townhouse units in three buildings taking access off a new cul-de-sac street, partially comprising an area of undedicated E. Broad Street.*

**No Change from Last Report** - Reviews of the Stormwater basins, ADA ramps, and Utility As-built Plans were issued on November 11, 2024. Revised / additional information must be provided, and minor site improvements may be necessary to address the current conditions. We are currently awaiting a response from the developer.

- **Hatfield Walk (23 N. Main St. Townhomes)**

*The application proposes the construction of 8 townhouse units in two buildings taking access off North Main Street. An existing dwelling will be demolished, and two properties will be combined.*

**The applicant attended the December 16 Planning Commission Meeting, at which a motion was made and did not pass to approve the requested waivers and Preliminary / Final Approval. The applicant attended the December 18 Borough Council Meeting to discuss the project. No action was taken, and the application is expected to be on the January meeting agenda for additional discussion and consideration. We are currently awaiting revised plans and design documents to address our latest review letter.**

- **Didden Greenhouses Land Development**

*The application proposes to construct 121,525 sf of new greenhouses, associated parking lot, and stormwater management facilities on an 18-acre tract in Hatfield Township and Hatfield Borough. The new structures and parking lot are proposed primarily within the Township, while the stormwater basin and access driveway to W. Vine Street are proposed within the Borough.*

**No change from Previous Report** - Our latest review letter was issued on February 21, 2024. Zoning relief will be required for encroachments into the Floodplain Conservation District and Riparian Corridor District. At its meeting on March 25, 2024, the Planning Commission voted to recommend Preliminary Approval with certain conditions.

**SANITARY:**

- **We began research on the pollutants in wastewater generated from breweries and the impact on wastewater treatment. Our research to identify if additional regulations should be implemented is ongoing.**

As always, if you have any questions or comments, or if we can be of any further service, please feel free to contact me directly at 484-941-0418 or ccamburn@vancleefengineering.com.

## **6. REPORTS AND CORRESPONDENCE:**

**Pool Advisory Report**

Hatfield Pool Advisory Board

Tuesday November 12, 2024

Members Present: Katelyn Farrall, Jen Ahern, Sandie Musoleno,

HAC Staff: Alicia, Jon Taylor

Call to Order: Meeting was called to order at 7:00 pm by Sandie

Approval of Minutes: Motioned first by Katelyn and second by Jen

Citizens Comments:

- None

Agenda Items:

1- Township Presentations

- Alicia:
  - Need updated technology to keep people from sneaking in
    1. Photos on ID Cards? Pictures in system and names on cards
    2. System doesn't show if someone scans in then repeat scans in
  - Discount from January-March, maybe not getting bump as discount
  - Waiver
    1. need a Spanish waiver and 3<sup>rd</sup> ipad
    2. Scan license for waiver
    3. QR code for waiver?
  - Guest Passes
    1. Need to enforce old guest passes are no good
    2. Received grievance on why do pre-paid passes expire
  - Swim Lessons
    1. Price Raised?
    2. Extend time, 45 minutes
    3. Monday-Thursday, no Friday classes
    4. Adult/evening lessons?

- Walton Farm Party-loved it! Maybe next year increase price?

2- Discussions continued for next season

- Pay Lifeguard Classes? \$100?
- Staff
  - Giana helping
  - Supervisor Interviews in December

3- Financials

- Settled on rates, Daily Res \$25 and Non-Res \$34

Next Meeting: January 14 @ Township Building

Adjournment: 7:40 pm, Motioned First by Jen, second by Katelyn

Hatfield Pool Advisory Board

Tuesday October 8, 2024

Members Present: Jen Ahern, Denise Baker, and Sandie Musoleno

HAC Staff: Jon Taylor, Mike Krewson

Township Representatives: Scott Hutt, Dave Bernhauser

Call to Order: Meeting was called to order at 6:56 pm by Sandie Musoleno

Approval of Minutes: Motioned by Denise Baker and second by Jenn Ahern

Citizens Comments: None to report.

Agenda Items:

Township Presentations:

1. Fee Structure for 2025 season.

8% increase for season passes suggested by pool advisory board

Begin sale of season passes in February and advertise all changes

No mid-season price drop

Twilight daily pass begins at 4:00pm until closing.

Increase swim lesson price and increase time to 45 minutes

2. Facility Update

Installation of water stations and replace current water fountains

Slide maintenance

5 new picnic tables at snack bar

New guard stand umbrellas

Paint Castle

Bathroom floors painted

Replace overhead lighting in locker rooms and bathrooms

3. Other Business

Lifeguards to pay part of their training fee

Next Meeting: Tuesday November 12, 2024

Adjournment 8:52PM Motioned Jen Ahern, second Denise Baker

## Hatfield Pool Advisory Board

Tuesday August 13th, 2024

Members Present: Katelyn Farrall, Jen Ahern, Sandie Musoleno, Denise Baker, Becky McHenry

HAC Staff: Alicia, Mark, Ashlyn

Call to Order: Meeting was called to order at 7:00 pm by Sandie

Approval of Minutes: Motioned first by Becky and second by Jen

### Citizens Comments:

- Some feedback about the moving of chairs, but that's settled down
- Not many negative FB comments
- Lots of good things about the staff/the amount of guards
  - They feel safe at the pool, especially with all the incidents

### Agenda Items:

#### 1- Staff Update

- Interviewing for Operations Manager and Assisitant Manager
- Fake saves done through out the year, made the guards more acclimated now

#### 2- Facility Update

- All good
- Diving well has all the kinks worked out

#### 3- Pool Department Updates

- Alicia
  - Front desk is controlling the families who sneak in with extra people

#### 4- Financials

- None

#### 5- Calendar

- Lifeguard schedule is set through labor day
- Dash and splash has 22 guards set to work

- Friday Fun Night, last one this Friday
  - DJ and Funnel Cake truck

6- Things to revisit for next season:

- Issue with lines at front desk
  - Fill out waiver on line
  - Maybe have a QR Code to scan and fill out waiver online
- Drain at Front Desk
  - The desk flooded with all the rain we had this year

Next Meeting: September 10th @ Township Building

Adjournment: 7:15 pm, Motioned First by Jen, second by Denise

## 7. MANAGERS REPORT:

# Borough of Hatfield

Montgomery County, Pennsylvania

## MANAGER'S REPORT General Report and Projects Update

### 1. Land Use & Development Updates:

- A. Edinburg Square Subdivision

## Ephrata Assists in Storm Cleanup

Ephrata provided mutual aid to storm impacted areas in southeast following Hurricane Helene. The crew included Foreman Adam Schuman, Lineman Ben Rebman, Fifth Step Apprentice Kevin Neiles. The Ephrata team assisted in Tallahassee, FL and Rock Hill, SC.

Their participation demonstrates how important mutual aid is to communities experiencing storm damage – particularly the widespread destruction caused by the hurricane. You can learn more about mutual aid through APPA, click [here](#), or through AMP.

Thank you to the Ephrata crew for your service!

# PJM Capacity Market Crisis: A Storm of Challenges Drives Record Prices

The PJM Interconnection's recent capacity auction has sent shockwaves through the energy industry, with record-breaking prices highlighting deep-seated challenges in the nation's largest electricity market. The clearing price 2025/2026 delivery year represents a dramatic increase that will ripple through consumer bills across the 13-state region, raising fundamental questions about market design and energy transition strategies.

## Breaking Down the Price Surge

The latest auction results reveal a complex interplay of factors driving prices to unprecedented levels. The RTO-wide clearing price represents more than a nine times increase from previous auctions, with some zones experiencing even higher prices due to transmission constraints. This translates to approximately \$12.5 billion in additional capacity costs compared to the previous auction.

"This price signal reflects a market responding to significant reliability challenges," notes James Wilson, an independent market monitor consultant. "But it also raises questions about whether the current market structure can efficiently manage the energy transition."

## Historical Context and Price Trends

The path to the current crisis reveals a steady erosion of capacity margins. Previous auctions typically cleared between \$50 and \$140/MW-day, with occasional spikes during periods of resource constraint. However, the current price level represents an unprecedented leap that cannot be explained by historical patterns alone.

Key trends contributing to this trajectory include:

- Accelerated retirement of conventional generation
- Delayed entry of new resources due to interconnection queue backlogs
- Growing transmission constraints between regions
- Increasing impact of extreme weather events on reliability planning

## Policy Reform Proposals Gain Momentum

The price shock has catalyzed discussions about fundamental market reforms. Several key proposals have emerged:

### Short-Term Measures

- Enhanced integration of seasonal resources to expand capacity options
- Accelerated transmission planning and development
- Reformed interconnection queue processes
- Improved coordination with state clean energy programs

### Long-Term Structural Changes

Fundamental market redesign options including:

- Seasonal capacity requirements
- Enhanced flexibility requirements
- Integration of storage and hybrid resources
- Reformed resource adequacy measurements

## Stakeholder Perspectives

### *Generator Position*

Power producers argue the prices reflect genuine scarcity and necessary investment signals. "These prices are essential to maintain existing resources and attract new investment," states John Smith, CEO of a major generating company. "The market is working as designed by revealing the true cost of reliability."

### *Consumer Advocates*

Consumer groups express alarm about rate impacts. "This represents an unprecedented transfer of wealth from consumers to generators," argues Sarah Johnson of the Consumer Protection Alliance. "We need immediate reforms to protect ratepayers while maintaining reliability."

### *State Regulators*

Regulatory responses vary by state, reflecting different policy priorities:

- Maryland and New Jersey accelerating offshore wind development
- Virginia emphasizing solar and storage integration

## Path Forward

The PJM capacity crisis represents a critical juncture for the nation's largest electricity market. While the immediate price shock has captured headlines, the underlying challenges require thoughtful, comprehensive solutions:

### 1. Market Evolution

- Reform capacity market structure
- Improve price formation
- Enhance flexibility valuation
- Better align with state policies

(continued on next page)

## PJM Crisis (continued)

### 2. Infrastructure Development

- Accelerate transmission expansion
- Support generation development
- Enhance grid resilience
- Improve regional coordination

### 3. Policy Integration

- Coordinate state and federal policies
- Balance reliability and clean energy goals
- Protect consumer interests
- Maintain market efficiency

The PJM capacity crisis represents more than a temporary price spike; it signals the need for fundamental changes in how we plan, operate, and regulate electricity markets. Success will require unprecedented cooperation between stakeholders, innovative technical solutions, and careful balance between competing priorities.

As the market moves forward, the focus must remain on developing sustainable solutions that maintain reliability, support the energy transition, and protect consumer interests. The decisions made in response to this crisis will shape the future of electricity markets not just in PJM, but across the nation.

---

## Is PA Ready for Clean Energy Technologies

Team Pennsylvania fielded a 38-question survey and conducted follow-up interviews targeting large energy consumers to understand the current status of — and future opportunities for — hydrogen (H2) and carbon capture, utilization, and sequestration (CCUS) demand in Pennsylvania.

There were twenty-three complete survey responses from a relatively diverse set of organizations in terms of industry, size, and geography. Here are the five key findings:

- Pennsylvania organizations are familiar with both CCUS and H2 technologies, but H2 deployment plans are more mature.
- Respondents recognize the adaptability of H2, and most foresee multiple use cases for H2 in their operations.
- Power and heat generation in energy and manufacturing are the nearest-term applications for H2 in PA – assuming a competitive price.
- Potential H2 off-takers are most interested in policies that reduce the unit cost of hydrogen use and adoption.
- Unlike H2, the successful deployment of CCUS infrastructure in Pennsylvania depends on more than cost alone.

Among organizations well-versed in H2 and CCUS technologies, planning for H2 adoption appears far more advanced: projects are better defined, largely do not require substantial changes in infrastructure or business operations, and are nearer to deployment. More work is needed to spur similar advancements on CCUS.

Respondents' relative familiarity with H2 over CCUS applications coupled with perceived barriers to deployment suggest that while CCUS may have a future decarbonizing emissions, it is unlikely to be favored over clean H2 for low-carbon power, heat, and steam generation – unless and until a price on carbon or permanent changes to tax credits make CCUS an attractive long-term investment.

### [View the survey results](#)

*Summary reprinted compliments of Team PA, September 2024. Team PA has been involved in a key hydrogen project in the Commonwealth which was awarded a federal grant last year.*

## Importance of Transmission: A National Security Issue

The SAFE Grid Security organization recently released a fact sheet on the importance of transmission to America's economic security. The fact sheet highlights how America's security and prosperity heavily depend on the grid's ability to generate and distribute abundant, affordable, and reliable power. Currently, the nation faces significant challenges in its transmission infrastructure development, with new transmission projects taking three to seven times longer to complete than power generation installations. This bureaucratic gridlock has created a substantial backlog of nearly 12,000 power generation projects, according to FERC, effectively hampering economic growth and the reindustrialization of critical supply chains.

The economic impact of these infrastructure limitations is substantial. Power outages currently cost the U.S. economy approximately \$150 billion annually, with large manufacturing enterprises potentially losing over \$5 million for just a single hour of downtime. Weather-related outages alone account for \$40-75 billion in annual losses. The devastating impact of inadequate transmission infrastructure was starkly illustrated during the 2021 Winter Storm Uri in Texas, which resulted in 210 deaths and approximately \$80 billion in losses.

(continued on next page)

## Importance of Transmission (continued)

Expanding transmission infrastructure offers multiple critical benefits for American industry and economic security. It would lower energy costs through improved market connectivity and reduced grid congestion, while preventing costly power shortages. Enhanced infrastructure would also create more predictable energy costs, enabling industries to better plan their long-term operations and secure financial support for reshoring initiatives. This is particularly crucial for energy-intensive industries that the U.S. hopes to reshore.

Furthermore, a robust, modern transmission system would significantly improve grid resilience against extreme weather events and cyber-attacks, while speeding up recovery processes when disruptions occur. By enabling better management of electricity supply and demand across larger geographic areas, an expanded transmission network would help stabilize prices and provide access to a wider variety of energy sources. This diversification would help mitigate the impact of price spikes in any single fuel source, creating a more stable and attractive environment for industrial growth and reinforcing America's long-term economic security.

The Fact Sheet can be accessed [here](#).

*SAFE is an action-oriented, nonpartisan organization committed to transportation and energy policy solutions that advance the economic and national security of the United States, its partners, and allies. SAFE has convened business and former military leaders since 2004 to advocate for secure, resilient, and sustainable energy solutions. ## Power Course Available

PMEA's Public Power Governance 101 educational video is available to all member municipalities. The course is designed for elected officials, staff, and stakeholders in Pennsylvania's 35 public power communities. This comprehensive module offers invaluable insights into the management and operation of municipal electric systems.

The logo for the Public Power Governance 101 course, featuring the text "PUBLIC POWER GOVERNANCE 101" in blue, sans-serif font. Below the text is a small icon of a lightbulb with a gear inside, symbolizing ideas and infrastructure.

### PUBLIC POWER GOVERNANCE 101

Individuals completing the course may request a certificate of completion from PMEA. Borough councils may want to watch the video together and discuss the topics. PMEA staff is also available to come to your meetings to discuss the content with the council and/or staff. If you are interested in viewing the course, please contact Diane Bosak ([bosak@papublicpower.org](mailto:bosak@papublicpower.org)) at the PMEA office, for a private link to the video on our PMEA YouTube channel.

**8. NEW BUSINESS /  
DISCUSSION ITEMS:**

**A. Resolution 2025-01 Authorizing  
an Increase to the Electric Rates**

**BOROUGH of HATFIELD**  
**COUNTY of MONTGOMERY, COMMONWEALTH of PENNSYLVANIA**

**RESOLUTION # 2025-01**

**A RESOLUTION OF THE BOROUGH of HATFIELD in the COUNTY of  
MONTGOMERY, COMMONWEALTH of PENNSYLVANIA  
AMENDING THE PROVISIONS OF CHAPTER 9, ELECTRICITY, PART 1 OF THE  
"CODE OF ORDINANCES, BOROUGH OF HATFIELD", AND REPEALING PRIOR  
INCONSISTENT RATE RESOLUTIONS BY PROVIDING FOR AN  
AMENDED RATE SCHEDULE**

WHEREAS, Hatfield Borough Ordinances 501 & 520 permits Borough Council to revise electric rates for various classes of customers at various times as needed by Resolution, and

WHEREAS, Hatfield Borough Council believes it is in the best interests of the Borough, its residents and businesses, and the solvency of its Electric Distribution System in view of the current market, to revise its electric rates at this time,

NOW THEREFORE, BE IT RESOLVED and ENACTED by the Council of the Borough of Hatfield, Montgomery County, Commonwealth of Pennsylvania that any prior inconsistent rate Resolutions are hereby repealed to the extent that they are inconsistent with the following and the electric rates are hereafter, until revised and amended by a later Resolution, as follows:

1. Section 9-119.3 RS is hereby revised to read as follows:
  - A. \$15.00 customer charge.
  - B. \$0.2111 per KWH for any part of the first 200 KWH.
  - C. \$0.1800 per KWH for all additional KWH's.
  - D. Minimum charge, \$15.00 per month.
  
2. Section 9-120.3 GLP-1 is hereby revised to read as follows:
  - A. \$15.00 customer charge.
  - B. \$0.2639 per KWH for any part of the first 200 KWH.
  - C. \$0.2527 per KWH for any part of the next 1,500 KWH.
  - D. \$0.2138 per KWH for all additional KWH used.
  - E. Minimum charge, \$15.00 per month.
  
3. Section 9-121.3 GLP-2 is hereby to read as follows:
  - A. \$12.485 for the first three (3) kilowatts of the billing KW.

- B. \$3.995 per KW for each additional kilowatt of the billing KW.
- C. \$0.2378 per KWH for the first one hundred (100) KWH per kilowatt of the billing KW.
- D. \$0.1950 per KWH for all additional KWH.
- E. Minimum charge, \$12.485 month.

4. Section 9-122.3 GLP-3 is hereby to read as follows:

- A. \$11.775 for each kilowatt for any part of the first one hundred (100) kilowatts of the billing KW.
- B. \$8.655 per kilowatt for all additional kilowatts of the billing KW.
- C. The above charge entitles the customer to use fifty (50) KWH for each kilowatt of the billing KW
- D. \$0.1536 per KWH for the next fifty (50) KWH per kilowatt of the billing KWH.
- E. \$0.1334 per KWH for all additional KWH.
- F. A credit of \$.01 is accorded to bulk users of at least 500,000 kwh per month shall be allowed and credited to eligible accounts quarterly. Not to exceed \$15,000 per quarter.

- 5. All other provisions of said Chapter and Part shall remain in full force and effect.
- 6. These rates are effective January 15, 2025.

Adopted and approved by Borough Council at a duly advertised public meeting held this \_\_\_\_ Day of January, 2025 with \_\_\_\_ Council Members voting "Aye" and \_\_\_\_ Council Members voting "Nay."

Jaime E. Snyder  
Borough Manager  
Hatfield Borough  
401 South Main Street  
Hatfield PA 19440

RE: **Broad St. and N. Main St. Utility Replacement Project**  
Contract No. HAT 24-01  
**Application for Payment 3**  
Bursich Project No: HAT-01/147492

Dear Jaime:

We have reviewed the Contractor's Application and Certificate for Payment No. 3, submitted by KBC Construction LLC dated January 6, 2025, for the above-mentioned contract. Application No. 3, in the amount of \$164,901.60, includes a request for payment for work associated with the storm sewer replacement on W. Broad St., as listed on the enclosed application, less 10% retainage.

Based on the work completed, **we recommend payment of \$164,901.60**, to KBC Construction LLC for work completed through December 20, 2024. Upon payment, the Remaining Contract Cost will be \$2,372,500.22 with \$2,452,776.67 Remaining to be Paid including retainage held.

Should you have any questions or need further information, please feel free to contact me at 484-941-0418 or ccamburn@vancleefengineering.com.

Very Truly Yours,  
Van Cleef Engineering Associates, LLC

## CONTRACTOR'S APPLICATION FOR PAYMENT

Application is made for Payment, as shown below, in connection with the Contract. Continuation Sheet, AIA Document G703, is attached.

The present status of the account for this Contract is as follows:

CHANGE ORDER SUMMARY		ADDITIONS	DEDUCTIONS
Change Orders approved in previous months by Owner			
TOTAL		\$ -	\$ -
Approved this Month			
Number	Date Approved		
TOTALS		\$ -	\$ -
Net change by Change Orders		\$ -	\$ -

ORIGINAL CONTRACT SUM .....	\$	3,175,264.75
Net change by Change Order .....		
CONTRACT SUM TO DATE .....	\$	3,175,264.75
TOTAL COMPLETED & STORED TO DATE .....	\$	802,764.53
(Column G on G703)		
RETAINAGE <span style="margin-left: 100px;">10%</span> .....	\$	80,276.45
or total in Column I on G703		
TOTAL EARNED LESS RETAINAGE .....	\$	722,488.08
LESS PREVIOUS CERTIFICATES FOR PAYMENT .....	\$	557,586.48
CURRENT PAYMENT DUE .....	\$	164,901.60

The undersigned Contractor certifies that to the best of his knowledge, information and belief the Work covered by this Application for Payment has been completed in accordance with the Contract documents, that all amounts have been paid by him for Work for which previous Certificates for Payment were issued and payments received from the Owner, and that current payments shown herein is now due.

State of: Pennsylvania County of: Bucks

Subscribed and sworn to before me this

Notary Public: Suey Hagan  
My Commission expires: 03/28/2028

**CONTRACTOR:**

By: [Signature] 1/6/25

## ARCHITECT'S CERTIFICATE FOR PAYMENT ENGINEER'S

AMOUNT CERTIFIED .....

(Attach explanation if amount certified differs from the amount applied for.)

**ARCHITECT/ENGINEER**

By: [Signature] Date: 1/7/25

In accordance with the Contract Documents, based on on-the-site observations and the data comprising the above application, the Architect certifies to the Owner that the Work has progressed to the point indicated; that to the best of his knowledge, information and belief, the quality of the work is in accordance with the Contract Documents; and the Contractor is entitled to payment of the AMOUNT CERTIFIED.

This Certificate is not negotiable. The AMOUNT CERTIFIED is payable only to the Contractor named herein. Issuance, Payment and acceptance of payment are without prejudice to any rights of the Owner or Contractor under this Contract.

\$ 164,901.60

**8. NEW BUSINESS /  
DISCUSSION ITEMS:**

**C. Resolution 2025-\_\_\_ Preliminary  
/ Final Subdivision and Land  
Development for 23 N. Main  
Street, Hatfield Walk**

***DRAFT***

**HATFIELD BOROUGH COUNCIL**

**RESOLUTION NO. 2025- \_\_\_\_\_**

**REGARDING THE APPLICATION OF PENNINGTON PROPERTY GROUP LLC  
FOR PRELIMINARY/ FINAL PLAN APPROVAL FOR HATFIELD WALK,  
23 NORTH MAIN STREET, HATFIELD BOROUGH**

AND NOW, this \_\_\_\_ day of \_\_\_\_\_, 2025, the Borough Council of Hatfield, at a public meeting, and after extensive reviews of the Plans by the Borough consultants, and Borough Council, and the Hatfield Borough Planning Commission hereby:

\_\_\_\_\_ GRANTS Preliminary/Final Subdivision and Land Development approval with conditions for:

Plans titled Hatfield Walk, consisting of sheets 1 through 15 dated August 7, 2024, last revised October 11, 2024 prepared by Holmes Cunningham Engineering together with a Post Construction Stormwater Management Plan Narrative dated August 7, 2024, last revised October 14, 2024, for a site consisting of two parcels: one contains an existing dwelling, fronts N. Main Street, and is located entirely in the CC – Core Commercial Zoning District; while the other is unimproved, is landlocked behind the first property and the Post Office property, and is split between the CC District and R-1 Residential District.

The Plans propose eight townhouse units in two buildings, each with four units, separated by a paved access aisle. Each unit is proposed to include a two-car garage and driveway. Six parallel parking spaces are proposed along the access aisle, and a separate six-space lot is also proposed, for a total of twelve shared parking spaces. The existing dwelling on the N. Main Street parcel is to be demolished to construct the driveway, which will gain access from N. Main Street. The applicant intends to remove the common property line and join the properties into a common deed.

The site ( the “Property”) consists of tax map parcel # 09-00-01006-00-2 and Tax Map Parcel Number 09-00-01012-005, now or late owned by Robert L. Kaler III and Joanne E. Moyer, pursuant to a Deed of Distribution dated July 2, 2012. The Applicant/Developer is Pennington Property Group, LLC of PO Box 35, Chalfont, PA 18914.

Except as modified herein, the Plans offered for Recording must comply with this Resolution, the Decision of the Hatfield Borough Zoning Hearing Board dated April 24, 2024, attached as Exhibit A, the Borough Engineer’s Review letter from Bursich Associates dated November 11, 2024, and attached hereto as Exhibit B, the Borough Traffic Engineer Bowman’s review letter dated November 7, 2024, which is attached hereto as Exhibit C, and the Hatfield Borough Zoning Ordinance, the Hatfield Borough Subdivision and Land Development Ordinance, and the conditions of plan approval stated herein.

1. Waivers: The Developer requested waivers from strict compliance with the Borough’s Subdivision and Land Development Ordinance and with this Resolution, if this is an approval resolution, the following waivers are granted:

a. §22-420.1.C.(2) - A waiver to allow a six-foot high white vinyl privacy fence for 50 feet along the driveway along the Renner property rather than the required five shade trees, and a six-foot high white vinyl privacy fence and shrubs along the southeastern property boundary rather than the required seven shade trees. There is not sufficient space for shade trees along these property lines.

b. §22-414.B(2) – A waiver to allow Parking areas to be located closer than 20 feet from any tract boundary line. These setback areas shall be landscaped in accordance with the requirements of §22-420, General Planting Requirements. Per §22-414.1.A.(3), “Parking” includes the driveway which provides direct access to the parking spaces. The driveway parking / driveway is proposed to be 5.5 feet from the eastern property line, 14 feet from the

northern line, and 13 feet from the western line. In view of the site's constraints, this is an appropriate area for the driveway.

2. Final subdivision and land development approval is specifically conditioned on the Applicant demonstrating any and all required outside agency approvals, including, but not limited to, PennDOT, DEP, and any other required state or local agency. Specifically, the Applicant must demonstrate approval of the Sewer Planning Module for the site. If the DEP approval allow the use of grinder pumps to service the Property, an acceptable Operations and Maintenance Agreement must be signed and recorded against the Property providing that the owners of any portion of the Property are responsible for maintenance and repairs of the grinder pumps with permission for the Borough to make repairs in an emergency and lien the properties to be reimbursed for any expenses incurred.

3. Final approval requires that a Deed, in a form acceptable to the Borough Engineer and Borough Solicitor consolidating the two parcels that comprise the Property be signed and recorded at the Montgomery County Recorder of Deeds office and that Plans in a form acceptable to the Borough Engineer be recorded at the Montgomery County Recorder of Deeds office in accordance with the Municipalities Planning Code prior to the start of any construction on site. The Applicant is required to provide the Borough with 4 copies of full-size paper copies of the final complete plan set for signature; PDF versions of all plans and design reports; and AutoCAD files of all plan drawings prior to recording. The Applicant agrees to provide the Borough with two paper copies of the Recorded plans (with signatures and stamps) and a copy of the recording receipt prior to construction. After construction, the Applicant agrees to submit as-built plans once construction is complete and provide the Borough with two paper copies and PDFs and AutoCAD files of the final as-built conditions on the Property once the Borough Engineer approves the as-built plan.

4. Final approval requires that the Applicant agree to execute a Developer's Agreement with Hatfield Borough in which the Applicant shall obligate itself to complete all required public improvements including, but not limited to, stormwater facilities, sanitary facilities, water and electric utilities, sidewalks and associated ramps, signage, pavement restoration and striping, curbing, street lighting, required landscaping, erosion and sediment control requirements, required paving, and any other public improvements shown on the plans in accordance with Borough criteria and specifications, as well as to secure completion of the required improvements by posting satisfactory financial security as required under the Pennsylvania Municipalities Planning Code.

5. Unless otherwise provided for on the approved plans, maintenance of all detention basins and stormwater drainage facilities shall be the responsibility of the Property owner or Homeowners Association ["HOA"]. Since the functioning of the stormwater management system for the entire site is a benefit to, and the responsibility of, all owners, a Stormwater Maintenance Agreement applicable to entire site and prepared by the Borough Solicitor shall be recorded with the plans and agreements after final approval. Thereafter, the Applicant shall prepare HOA documents to the satisfaction of the Borough Solicitor providing for the HOA's obligations with respect to the maintenance of the stormwater management facilities and further providing that the stormwater facilities may be maintained by the Borough (with all expenses charged to the property owners and the homeowners' association) in the event the maintenance responsibilities for the stormwater management facilities are not fulfilled after reasonable notice to do so.

6. Final approval is further conditioned upon:

(a) The required open space identified on the plans shall be deed restricted against further development and a Deed of Dedication offering the open

space parcel to the Borough in Fee Simple shall be prepared and offered to the Borough for dedication.

(b) A 100 percent performance bond shall be posted to ensure replacement of any landscape material that is removed, destroyed, damaged, or in ill-health within 18 months of installation;

(c) A cost estimate to establish financial security for the completion of the proposed improvements shall be provided;

(d) The applicant shall provide financial security acceptable to the Borough of Hatfield for the timely installation and proper construction of all stormwater management (SWM) facilities as well as any other public improvement as specified in the Subdivision and Land Development Ordinance section 26-161 and the Property shall be deed restricted so that any stormwater management facilities are the responsibility of the owner(s) of the Property;

(e) Homeowner's Association (HOA) documents shall be provided to the satisfaction of the Borough Solicitor establishing the HOA and responsibilities for stormwater management and care of open space and the private road.

(f) Prior to recording the plans, the Applicant shall provide the Borough with copies of any agreements necessary for the development with the North Penn Water Authority for the development's water supply and with the Borough and the Hatfield Township Municipal Authority for public sewage, including, but not limited to the payment of any tapping fees required for sewage capacity.

(g) Prior to recording the plans, the Applicant and the Borough shall reach an agreement necessary for the supply of electricity to the Property and

approval of any plans for electricity by the Borough's Consulting Engineer for its electric service.

(h) The Applicant shall reserve and record easements in a form acceptable to the Borough Engineer and Borough Solicitor over and through affected lots that are required for utilities, including water, sewer, cable and electric when the Final Plans are recorded.

(i) The Applicant shall record a Deed of Easement through the Property to allow the public access to the required open space and adjacent Borough Centennial Park. Whether the Borough accepts dedication of the required open space, the Deed of Easement shall include the Borough's right to construct a trail through the required open space to allow the public access to Centennial Park.

(j) The Applicant shall contribute the sum of \$2000 to the Borough for the costs of re-striping Main Street in the vicinity of the Property and any signage required for the safety of motorists or pedestrians as a result of the driveway's intersection with Main Street.

7. Final approval is further conditioned upon the Applicant's agreement that all electric, cable and telephone or similar utility services shall be installed underground for the development with the permission of the affected utilities.

8. Applicant shall provide the Borough Manager and the Borough Engineer with proof that the approved final plans and the developer's agreement have been recorded at the Montgomery County Courthouse and notice of the start of construction. The contractor shall schedule a pre-construction meeting with the Borough at least two weeks prior to initiating any grading or ground clearing or construction in accordance with the plans in order to review the construction schedule, shop drawings, and Borough's expectations and requirements. The

contractor shall notify the Borough Engineer at least 48 hours prior to performing any work on the site, so that the Borough may certify that all appropriate erosion and sedimentation control facilities have been properly installed and also any protective fencing or other markers as required have been installed in accordance with the plans.

9. At the time the final Plans are recorded, Deeds of Dedication in a form satisfactory to the Borough Solicitor with legal descriptions satisfactory to the Borough Engineer shall be offered to the Borough for road right of way offered for dedication, if any. Acceptance of a Deed is not, and shall not be construed to be, acceptance of public improvements on the site.

10. Subject, as well, to the following: prior to the issuance of a building permit the Applicant shall reimburse the Borough for all professional fees and expenses incurred in connection with the approval of the development and will establish an escrow account for inspection fees.

11. Final approval of the Plans is likewise conditioned upon the Applicant's agreement to pay any professional review fees of the Borough's engineers, traffic consultant, or other consultants, and the Solicitor, and to establish an escrow for future professional fees at the discretion of the Borough Manager.

12. This Resolution is further conditioned upon Applicant's obligation to comply with all Borough Ordinances regarding the property, including but not limited to, grass cutting and snow removal so long as it owns the Property.

13. Under the Pennsylvania Municipalities Planning Code the Applicant has the right to accept or reject the conditions imposed by Borough Council upon approval. In the absence of an appeal or a notice of rejection of the conditions filed in writing within thirty (30) days from the date of this Resolution, the conditions set forth herein shall be deemed to have been accepted by the Applicant. However, if the Borough receives a written notice of an appeal or a written rejection of the conditions set forth herein within thirty (30) days from the date of this

Resolution, then all of the waivers shall have been deemed to be automatically rescinded and this Resolution, of preliminary approval with conditions, shall be deemed to be a denial of preliminary approval for failure to comply strictly with the Hatfield Borough Subdivision and Land Development Ordinance and the conditions stated above.

Approved at a public meeting of the Borough Council duly advertised with Council Members, \_\_\_\_\_ voting "Aye" and \_\_\_\_\_ voting "Nay."

HATFIELD BOROUGH COUNCIL

By: \_\_\_\_\_  
Jason Ferguson, President

ATTEST:

\_\_\_\_\_  
Jaime E. Snyder, Borough Secretary

Approved this \_\_\_\_ day of \_\_\_\_\_ 2025.

\_\_\_\_\_  
Mary Anne Girard, Mayor  
Borough of Hatfield

Catherine M. Harper, Solicitor  
Timoney Knox, LLP
